FIU is an urban, multi-campus, public research university serving its students and the diverse population of South Florida. We are committed to high-quality teaching, state-of-the-art research and creative activity, and collaborative engagement with our local and global communities.
FIU was founded in 1965 and opened for classes in 1972 with 5,667 students, the largest opening day enrollment in U.S. collegiate history.

Florida International University College of Law was ranked Top 10 Best Value school in the nation for 2010 by The National Jurist. The rating is based on the following three criteria: bar passage rate, average indebtedness after graduation, and employment nine months after graduation.

FIU’s Biscayne Bay Campus was designated as an Arbor Day Foundation “Tree Campus USA.” It’s the first campus in Florida to receive the designation.

Nearly half of all teachers employed in the Miami-Dade County Public School System, the nation’s 6th largest public school system, have an FIU degree.

FIU ranked 1st in the nation among four year colleges for awarding bachelor’s & master’s degrees to Hispanic students.
